Everyone is Talking

Sophia P.

Hi guys and welcome back. This month we are talking about CHRISTMAS. Christmas is a holiday where people buy you presents. The first Christmas was celebrated in the year 336. That's all for this month, dragons.

Sports by Ash

What's up dragons? This month we have intermediate basketball so grades 7 & 8 girls and boys come tryout in January! Mr. de Waard will be happy to answer any questions you might have for the boys trying out for basketball. For our junior students there are no sports this month. And, now that there is snow on the ground, here are some rules for the snow:

1. Don't throw snow at anyone or anything
2. Don't go on the ice or slide on it
3. Don't throw snowballs or kick snow at anyone or anything

Also for our primary students, remember there is dodgeball in the morning and make sure you listen to the morning announcements for what teams are playing. If you don't know what team you are on ask your teacher or check the list.

Our showtimes will be at Tuesday, Dec 11 (second block) for a dress rehearsal for the entire school. On Wednesday, Dec 12, we will have 2 performances (2:00 pm & 6:00 pm)

Santa Breakfast! **By Sophia P.**

This month is Christmas, the best month of the whole year.

Guess what; Santa is coming to our school library and you get to sit on his lap and then he gives you a candy cane. But before that, you go upstairs and you get to eat pancakes. That's all for this month. Bye.

Christmas Tips **Briar T.**

Hello dragons! I have a few Christmas tips for you!

- wear and use a lot of red and green
- use a lot of Christmas candles
- get crafty
- spread holiday cheer (by being a volunteer)

D.I.Y. Candy Sleigh! **With Julia**

You'll need: 4 different sized candy bars, two candy canes, clear tape, ribbon

Method:

1. Stack your candy bars from largest to smallest.
2. Tape one candy cane to the edge of the largest candy bar.
3. Repeat step two with the remaining edge and candy cane.
4. Tie the sleigh with a ribbon bow for decoration.

Tip: These make great class party treats or Santa snacks on Christmas Eve!

Riddle **by: Abbie. K**

My sister has two chocolates. I had two chocolates. My brother has two chocolates. My cousin has two chocolates. Wow, that's a lot of chocolate! How many chocolates are there?

Christmas Carols In the Gym! Jules :)

Hey, Dragons! Remember to dress festive for Christmas caroling in the gym the week before Christmas Break. *“Dashing through the snow...”*

Silver Birch and Red Maple Briar T.

Hey Dragons! This year our school is doing Silver Birch and Red Maple like most of the years in the past! Silver Birch and Red Maple is all about students getting an opportunity to meet authors and read books! Grades 5-6 is Silver Birch and grades 7-8 is Red Maple! Once you have read a certain number of books you get to go on a trip and you get to do certain activities based on the book!

Happy Holidays,

Sophia P., Julia L., Ashleigh R., Abbie K., and Briar T.
